Among the items on display are noteworthy works by the masters of this area, who emigrated to Italian and Central European cities throughout many centuries. The museum reopened in 2015 with a refurbished exhibition venue that makes the most of the original collection. The visitor may admire works of special value displayed within themed spaces, such as the Antelami cross, a jewel of Lombard goldsmithery, and wooden statuettes by Ercole Ferrata. The collection is completed by drawings and paintings by brothers Diego Francesco and Carlo Innocenzo Carloni, as well as some 16th-century frescoes from Casa De Allio in Scaria and the Church of Santa Maria.
