### **CASA DELLA MASCHERA E SENTIERO DELLE ESPRESSIONI**

Through their work the artists of the M.A.S.C.H.E.R.A. have given life to numerous sculptures with a wide variety of features. Given the success achieved in 2014, the organisers have decided to continue and each year choose a new theme to which the artists must refer. To reach the path from Schignano, follow the signs to the village of Posa, where you may park your car and then proceed on foot following the signs "Sentiero delle espressioni" towards Alpe Nava. Here begins the real Sentiero delle espressioni with the first carved wood sculptures. Casa della maschera instead hosts historical masks of the famous Schignano Carnival and is visible only from the outside.
